FOR MORE (NON-CLOTHING) SHOPPING TIPS:

- For stunning accessories to complete a look, there's no other than House of Moda!
- For stationary, prints and trinkets pop over to Inkwell Boutique.
- Flowers or arrangements – Head to Props in the Hydrostone. It's definitely the most affordable in the city, and they have a great selection.

YOU'LL BE HUNGRY AFTER ALL THAT SHOPPING:

Fave post shopping fuel has to be the vegan poutine from **enVie!** Those tater tots tho? SO GOOD.
