

ONE-DAY DATE ITINERARY

@allieandsam

For a full day packed with the best dates for you and your partner, follow this fun itinerary... and honestly, if all you have is a BFF to do these activities with, that is 100% a-ok! For the best experience, do this itinerary on a Saturday in the spring-fall seasons!

MORNING DATE

@butteredbliss

8:00AM - 11:00AM

Start your day right, at the **Halifax Seaport Farmers' Market!**

- Head to the market located on the Downtown Halifax boardwalk.
- It can be overwhelming at first, so hold your partner's hand and do a lap before you start purchasing your breakfast, gifts and/or produce.
- Once you've scouted the options, grab something to eat and find a place to sit amidst the hustle and bustle.
- Pick up some snacks for the afternoon.
- Head up to the rooftop of the market for a breath of fresh air and stunning views of the harbour.

AFTERNOON DATE

1:00PM - 3:00PM

After your big breakfast, clear away from the bustling market vibes and get some fresh air and exercise.

OPTION 1

- If you have a car, enjoy the scenic drive and make your way to **Crystal Crescent Beach**.
- Take off your shoes and walk along the white-sand beaches for an ocean-stroll
- If you get hungry, stop by the **PAVIA Gallery Espresso Bar & Cafe**.

OPTION 2

- If you are on foot, walk to **Point Pleasant Park** from the market.
- Walk through the wooded-paths and along the oceanfront paths.
- If you get hungry, there is a food truck near the beach!

EVENING DATE

7:00PM - 10:00PM

Now that you've had your exercise, it's time for dinner and drinks (and dessert!)

- If it's a nice evening, make your way to a waterfront patio for dinner at somewhere like **The Bicycle Thief** or **Gahan House**.
- Afterwards, head to a beer garden or patio such as the **Stillwell Beer Garden** or **Waterfront Beer Garden** to taste test some local, craft beers.
- There are plenty of places to get some ice cream for dessert, such as **COWS Ice Cream** or **Dairy Bar!**

ITINERARY PROVIDED BY KATIE

Katie is the Marketing & Communications Manager at Discover Halifax, where she is responsible for leading major marketing projects and campaigns and strategic planning.

KATIE'S FAVOURITE RESTAURANTS:

If you want a simple dinner date these are my favourite dinner spots!

- **enVie : A Vegan Kitchen** - Even if you aren't vegan or vegetarian, the food and atmosphere here will blow your mind!
- **Morris East** - This little pizzeria in Downtown Halifax has the best pizza and wine.... in my humble opinion!
- **Gahan House** - Right on the waterfront, this restaurant has a high ceiling, big windows and a view of the waterfront. With their own craft beer on tap and delicious food... it's a great central location!
