AN URBAN VILLAGE BEYOND THE HARBOUR.

Over the past few years, downtown Dartmouth has grown into a vibrant community. You'll find top-notch cafes, gourmet restaurants, chic shops, fabulous lunch spots, unique galleries, and an overall abundance of amazing things to do. Often known as the "City of Lakes", Dartmouth has fantastic outdoor parks intertwined through its dozens of lakes. Dartmouth also has Dartmouth Crossing (home of IKEA) and Mic Mac Mall. Hop on the harbour ferry and explore this chic area!

Five minutes past Dartmouth is Cole Harbour, a suburban community best known for being the birthplace of Sidney Crosby, famous hockey player and three-time Stanley Cup Winner. Partially sitting on the Atlantic Ocean coastline, this community includes fantastic beaches, trails and parks.
