DOWNTOWN DARTMOUTH

An urban village across the harbour.

DARTMOUTH WATERFRONT

See the harbour from the other side.

You haven't seen the Halifax Harbour until you've seen it from both sides. Dartmouth was named one of Canada's hippest neighbourhoods in 2017 and has become a food and drink lover's paradise. Hop on the ferry and explore downtown Dartmouth by foot. You'll find a vibrant community with top-notch cafes, gourmet restaurants, chic shops, fabulous lunch spots and more. Even better, there are parks and scenic activities right downtown.
