Halifax Seaport
Farmers' Market

Canadian
Museum of
Immigration
at Pier 21

The Waterfront will always top the list of places to love in Halifax. Surrounded by sparkling ocean, a working port, local artisans, seasonal vendors and year-round businesses, there's an amazing energy on the boardwalk that is truly unique to Halifax.

Rediscover the Halifax Waterfront - you'll find that while things have changed, it's still the same waterfront you've always known.
